RULES & REGULATIONS

USA Hockey Certification (2018-2019):

All players must provide proper and valid USA Hockey numbers to be eligible to play. This must be done prior to registration as you will need the number when you sign up.

Player Restrictions:

This league is not open to any travel hockey players who are currently on a travel team within ANY organization. Players currently in Panthers Hockey Academy will be evaluated for PDL before signing up.

No Exceptions!

Age Restrictions:

Players who were born after February 2011, will be evaluated on a case-by-case basis for the 8U team.

FLORIDA PANTHERS

YOUTH DEVELOPMENT LEAGUE

FALL 2018

PHILOSOPHY:

The purpose of the Panthers Youth Developmental Hockey League is to create a learning atmosphere which allows players to improve their skills and develop new ones. By providing two practices a week, the Florida Junior Panthers travel coaches will implement the American Development Model (ADM) to maximize age based skill development. Our long term approach allows us to grow the game starting with the 8U age levels and create an ideal bridge between recreation, high school, and travel hockey. This league will forge a path for opportunities and success for ALL youth hockey players.
