

Instructions for creating/registering a team

1. Click on the online reg. button on our league page (<http://panthersiceden.com/hockey/adult/hockey-leagues.html>). This will take you to our registration site where you will see a drop down menu for Registration. Select league registration, then click on Adult League on the left side. Choose your division, and then the system will ask you if you want to Register a Team or Join a Team. You will select "Register a Team." You will then be asked to either log in or create an account if you do not yet have an account. Select your existing team name or create a new team name.
2. Review registrant information and select a payment amount. You have the option to Pay team fees in Full or enter a payment amount. There is a minimum required payment amount listed under the payment options. Select "Add to Cart."
3. Enter payment info and check out. Once completed, you should receive automated email confirmation with your team code.
4. Send team code to team members who will then use that team code to join your team. Captains must also join their teams after they have been created. Refer to player registration instructions for individuals joining a team.

If you have any questions about the process, please contact John Peach at peachj@floridapanthers.com.
